GMP QUALIFIED VENDOR

★ ★ ★ INTRODUCTION ★ ★ ★

Steding & Sons Mercantile is proud to share 1836 Kratom. We strive to provide superior products in the safest and most ethical way possible. We are an American Kratom Association GMP Qualified Vendor and seek to consistently improve our knowledge and processes. Many of our team members and loved ones are kratom consumers, so we not only demand safe products for our customers, we demand them for ourselves and our families! We firmly believe in the potential of this plant and conscientiously advocate for it: encouraging education as well as responsible and ethical regulation, sales and consumption. Every lot of our kratom is tested, by accredited 3rd party laboratories, in the United States, to help ensure a safe product. These lab results are shared on our website, offering you peace of mind.

We gratefully support ongoing kratom studies at the University of Florida, contributing to the agricultural research of Dr. Brian Pearson and pharmacological research of Dr. Chris McCurdy. We are truly excited about the expanding knowledge and continuous progress toward deeper understanding of this incredible plant. We know that in order to continue unobstructed research, kratom must remain legal. We are proud to support the American Kratom Association, as well as the Leaf Kratom Coalition, which seeks to differentiate natural leaf kratom from the potent concentrate products quickly entering the marketplace. We believe that kratom, in its natural form, is the safest and best choice for the majority of kratom consumers, especially for regular use.

Our company stands at the forefront of a cultural shift, serving our community with a focus on fitness and well-being: encouraging responsible kratom use as part of a healthy lifestyle. We strive to provide products that facilitate well-being and an improved quality of life. We understand that kratom is not for everyone, and some people who do choose kratom may not choose to use kratom products forever. With this in mind, the Steding family is proud to introduce the all-new Steding & Sons Allied Forces – all natural dietary supplements incorporating functional mushrooms and other potent plants intended to facilitate the wellbeing of consumers. Steding & Sons Allied Forces are the Perfect Supplements for Imperfect People.

We are an American owned business, based in Austin, TX, founded by a husband, father, fitness enthusiast and musician. We strive to facilitate learning, kindness, compassion, love, health, wellness and freedom of choice. We seek to share our expanding knowledge with our customers and our abundance with those in need through recurring donations to charities we love. We are grateful for the wonderful customers that share our values. We encourage all potential kratom consumers to: Research. Reflect. Decide.

Thank you so much for choosing Steding & Sons, we are truly grateful for your business.

Sincerely,

Jeremy Steding, Founder and President

WHAT WE BELIEVE

At Steding & Sons Mercantile (1836 Kratom,) we firmly believe in the right of the consumer to make educated decisions regarding the products they choose to incorporate into their lifestyle. WHAT IS KRATOM?

Kratom (*Mitragyna Speciosa*) is a cousin of the coffee plant, indigenous to Southeast Asia. Traditionally, the leaves have been brewed as tea and more recently, they have been dried and then crushed or powdered. A growing number of people believe kratom may have health and wellness benefits. Many Americans prefer powdered leaf kratom or capsules.

WHO USES KRATOM AND WHY? IS IT RIGHT FOR YOU?

A growing number of people, recently estimated at 15 million Americans, are believed to use kratom annually. Many people, including a number of doctors, fitness enthusiasts and health professionals believe kratom to have health benefits. Benefits reported include increased energy, focus, relaxation and relief from discomfort or fatigue. At Steding & Sons Mercantile we value the right of the consumer to make informed choices about their health and wellness. We encourage all potential kratom consumers to seek credible research from multiple sources and make decisions in alignment with their personal value system.

IS KRATOM SAFE?

Kratom has been used safely in southeast Asia for hundreds of years and millions of Americans are currently believed to be using kratom safely. American researchers are studying the safety profile of the plant. We encourage consumers to seek credible information. At Steding & Sons Mercantile, we believe that kratom is best used in moderation and note that many extract products have considerably higher alkaloid concentrates than natural kratom. We encourage extra consideration when making decisions about whether to use extract products and how often. At Steding & Sons Mercantile we encourage education, moderation and responsible consumption.

POSTERS!

A THANK YOU FROM PRESIDENT - JEREMY STEDING

THANK YOU SO MUCH FOR TAKING THE TIME TO READ THROUGH OUR CATALOG. WE ARE SINCERELY GRATEFUL FOR EACH AND EVERY ONE OF OUR CUSTOMERS. I HOPE THAT OUR PRODUCTS WILL SUPPORT YOU IN YOUR ENDEAVORS. IF YOU CHOOSE TO USE KRATOM PRODUCTS, WE HOPE YOU WILL BE MINDFUL AND USE MODERATION.

I HAVE PERSONALLY BEEN A KRATOM CONSUMER FOR OVER A A DECADE AND I AM GRATEFUL FOR THE POSITIVE CHANGES IT HAS HELPED TO FACILITATE IN MY LIFE. I HOPE THAT, AS THE GENERAL PUBLIC LEARNS MORE AND MORE ABOUT KRATOM, SUCCESS STORIES WILL BE TAKEN INTO ACCOUNT.

I TAKE PERIODIC BREAKS FROM KRATOM, AND ENCOURAGE ALL CONSUMERS TO DO SO. OUR NEW COMPANY, "STEDING & SONS ALLIED FORCES" WAS FIRST DEVELOPED DURING A LONG KRATOM BREAK. THE ALLIED FORCES INGREDIENTS ARE LEGAL WORLDWIDE AND MAY SERVE YOU IF YOU CHOOSE TO TAKE A BREAK FROM KRATOM OR DISCONTINUE USE.

I AM ALSO INCREDIBLY EXCITED ABOUT ATHENA'S ELIXIR AND THE EXCITING NEW 1836 KRATOM PRODUCTS ON THE HORIZON.

THANK YOU SO MUCH FOR SEVEN YEARS OF GOOD BUSINESS. MYSELF AND OUR AMAZING 1836 TEAM ARE VERY GRATEFUL FOR YOU!

I LOVE WHEN A CUSTOMER REACHES OUT TO SHARE THEIR STORY, AND WOULD ENCOURAGE YOU TO DO SO IF YOU'RE SO INCLINED! FEEDBACK AND IDEAS ARE ALWAYS WELCOME AS WELL!
